

BENJAMIN M. STATLER COLLEGE OF ENGINEERING AND MINERAL RESOURCES
FUNDAMENTALS OF ENGINEERING

ACADEMIC PRE-ADVISING REVIEW

This form is to be completed to the best of your ability PRIOR to meeting with your assigned academic advisor. This will allow you to understand your progression into a major of choice, identify academic issues, and consider any additional questions before an advising meeting. Bring this completed form to your appointment. Your advisor will review it with you.

Name: _____ WVU Student ID: _____ Advisor: _____

Academic Identifiers

All information needed to complete these fields can be found in DegreeWorks.

- ✓ Major Interest (Civil, Mechanical, etc.): _____
- ✓ I need to complete a Major Declaration form during this appointment. ___Y ___N
- ✓ This is my ___ semester in the Fundamentals of Engineering program. (1st, 2nd, 3rd, 4th, etc.)
